## **REQUEST FOR ADMINISTRATIVE QUALIFICATIONS FOR SERVICE PROVIDERS**

---

### **PURPOSE**

This request is intended to identify and pre-qualify providers that can offer a continuum of services for children and families in Brevard County. All providers that intend to pursue a contractual relationship for programs or services with Community Based Care of Brevard, Inc. doing business as Brevard Family Partnership (BFP) and wish to join the Provider Network will be required to complete the Request for Administrative Qualifications.

### **BACKGROUND**

BFP is the private, non-profit organization selected by the Florida Department of Children and Families as the lead agency responsible for the privatization of child welfare and related services in Brevard County as outlined in F.S. Section 490.1671.

### **MISSION AND VISION**

BFP's mission is to develop and manage a comprehensive, community-based, coordinated system of care for abused, neglected, and abandoned children and their families. This mission is driven by the vision that all children can grow up safe, healthy and fulfilled in families that love and nurture them and the belief that securing and mobilizing adequate resources is the responsibility of the entire Brevard community.

In order to insure the safety, security, and well being of every child in Brevard County, a continuum of child welfare services must be provided for children and families to address the prevention, intervention and treatment of child abuse and neglect. It is essential that each child develops personal, long-term relationships in order to promote safety and build trust.

Every child needs a permanent home with either their biological families or through adoption and child welfare services must continue afterwards, in either case, to insure stability and continuity of care. BFP is committed to the development of a child welfare system in which community resources are shared within Brevard County, between counties, and through partnerships established to achieve BFP's mission.

### **GENERAL INFORMATION**

**BFP Contact Person:** The designated contact person for the RFQ is:

**Notice of Intent to Submit Qualifications:** Service providers are requested to submit a letter of intent at any time in order to join the Provider Network. Providers must have their qualifications on file and current with BFP or submit their response to the Administrative RFQ with a service solicitation according to the published schedule within the programmatic request document.

**Notice of Qualification:** BFP staff will review the documents and materials submitted and notify the service provider within 30 days if their qualifications have been preliminarily accepted and that the agency may respond to future solicitations without re-submitting the administrative data. Any information missing from the RFQ will be considered a fatal error if the RFQ is being submitted as part of an RFP or ITN for programs or services. Meeting the criteria in this request does not obligate BFP to extend a contract for services to any service provider.

**Response format for RFQ:** In order to be considered for selection, respondents must submit a complete response to this RFQ. All responses should be prepared simply and economically, providing a straightforward, concise description of the agency and the services provided. Emphasis should be placed on completeness and clarity of content.

The RFQ must have a cover letter on agency letterhead signed by the President or Chairman of the Board of Directors. If someone signs other than this individual, please include written verification indicating signature authority. The letter should be one (1) page and include the respondent's correct mailing address and the name of the primary point of contact to answer questions about the RFQ.

Please use the RFQ Cover Sheet as page two (2) of your application. The agency is asked to name a Provider Network contact that will represent the agency at all Provider Network functions. This individual should have authority to speak for the agency and have the flexibility in their schedule to participate on a regular basis.

Responses should be printed one-sided, single spaced, using an 11-point or larger font. Respondents are responsible for all costs of proposal preparation. BFP is not liable for any costs incurred in response to the RFQ.
