

Brevard Family Partnership is Looking to Grow Our Foster Parent Team

Foster families are some of the most extraordinary people in our community—your friends and neighbors who open their hearts and homes to the many children every year who suffer abuse or neglect. Join them and give a child a safe play to stay. Take an active role in their life and contribute to their health and well-being each day with guidance and support.

Join us for an informational session and get answers to all of your questions from professionals in the field like, foster parents, adoptive parents, licensing and adoption experts.
