REQUEST FOR INFORMATION (RFI)

FOR

**INDEPENDENT CONTRACTORS FOR
TARGETED CASE MANAGEMENT**

Closing Date: ONGOING

STATEMENT OF PURPOSE

Brevard Family Partnership (BFP) is soliciting information from individuals and/or organizations that have an interest in providing targeted case management services as part of the Brevard CARES service array. The Targeted Case Manager (TCM) will conduct client assessments, develop the recipient service plan and serve as the liaison with the recipient's family to address issues related to implementation of the service plan. The TCM will link and facilitate service recipients with appropriate services and resources identified in the service plan through referrals to reach each desired goal while advocating for necessary services. The TCM will provide Crisis Intervention Support to families in need by assisting recipients in crisis with getting the necessary resources in order to cope with the situation. The TCM coordinates and monitors the delivery of services as specified in the service plan with the help of the recipient, the recipient's family and the recipient's natural support system. The TCM will participate in the development of the recipients individualized treatment plan and conduct clinical care Medicaid recipient staffings for any one of the recipient's treatment team members. The TCM will arrange for and coordinate after-care services upon discharge from a residential or outpatient facility when discharge planning is not covered by the facility per diem and provides mental health targeted case management services in preparation for a recipient's discharge from BHOS or SIPP.

For purposes of this RFI, BFP is seeking to pre-qualify candidates who would like to be considered for TCM duties.

Compensation for services performed shall be \$30 per hour. Eligible units of service submitted for payment will be a minimum of fifteen (15) minute units and paid at a rate of \$7.50 per fifteen (15) minute units of service. Billable services shall not include travel time or mileage but shall include actual time spent engaging with recipients, family members, treatment team members, providers and others in planning, developing, coordinating and documenting services and plans for the recipient.
