

## TEAM COMMUNITY FOUNDATION

Like Oh My God!!! We totally want you to vote for us!!!

We are a gnarly group of friends performing on behalf of Community Foundation for Brevard. We have known each other for a long time, and have been involved in a number of philanthropic endeavors around Brevard County.

Our backgrounds are diverse and include a CPA, a Registered Nurse, a couple of business owners, and a couple of students too. Our costumes have been inspired by a designer with Broadway experience, but our choreography is all home grown.

Our performance harkens back to the days of old when every afternoon we would hustle to the local arcade with every quarter and crinkled up dollar bill from our piggy bank that we could find. We would wait our turn in line to play video games, eat over-priced slices of cheese pizza, drink icy cold Coca Cola, and listen to the likes of Madonna, Culture Club, Flock of Seagulls, and Depeche Mode as we tried to beat the high score.

Do you remember how good you used to be a Frogger, PacMan, Space Invaders, Galaga, and Asteroids? We used to be like so good, and we thought we were totally rad!!!!

It would be totally tubular if you voted for us!!
