

Brevard Family Partnership will host the 3rd Annual Decades in Revue Lip Sync Battle on Saturday, October 21, 2017, where the biggest stars of Brevard County will take the stage to perform and compete, while raising funds for our community's most vulnerable children. All funds raised through this signature event will support the children and families served by the Brevard Family Partnership System of Care. We hope that you will consider partnering with us on this special event through one of our sponsorship opportunities.

At Brevard Family Partnership, it is our mission to *protect children, strengthen families and change lives* through the prevention of child abuse and the operation and management of a comprehensive, integrated, community-based System of Care for abused, abandoned and neglected children and their families.

Programs funded through these efforts include summer camps for children in foster care, school supplies, tutoring and GED programs for youth and young adults who enter the System of Care with significant educational delays, as well as household items to assist young adults as they transition to adulthood outside of the formal child welfare system.

Our Decades in Revue fundraiser is designed to raise awareness of the needs and successes of the children we serve, while providing an evening of enjoyment and laughs for all event guests and participants. It is our goal to net \$50,000 through this signature event so that we can continue to provide the support and services that help so many children and families in our community.

Sponsors will receive recognition in advance of the event through publicity on our website, newsletter, and social media. In addition, sponsors will be given individual acknowledgement during the event and post-event in an online retrospective.

Please review the accompanying detailed sponsor information, which includes an informational sheet about Brevard Family Partnership.

We thank you again for your consideration and encourage you to call us with any questions regarding the 2017 Decades in Revue Lip Sync Battle.
