

ROY ALLEN PANTHERS

The Roy Allen Panthers are comprised of an amazing team of teachers who are 100% dedicated to helping our children learn and grow into amazing leaders. Although our job consists of teaching math, science, reading, social studies, music and art, it also consists of so much more. Every day, we fix boo-boos, tie shoes, play referee between friends, answer the same question 20 times with a smile on our face, and lend an ear for all their stories. Yes, we do it all, but we wouldn't trade it for the world! We wouldn't trade seeing those faces light up when that really hard math problem finally makes sense; or when we see them helping another student without anyone asking them to; or when they tell us we are the best teacher because we listen to them. We know we make a difference in their life, but what THEY don't know is the difference they make in our lives every day. We are teachers because of them!
