The Board Management Delegation Process: The Board will govern based on the following:

1. The Family of Agencies Governance Board gives advice and guidance only as one body and gives direction as a Board.
2. There is a clear distinction between a Board's role as policy setting only and the BFP FOA President and Chief Executive Officer's (CEO) role as implementing policy and achieving the mission.
3. The BFP Family of Agencies Board is responsible to monitor the quality of services and financial soundness of the agency.
4. The BFP Family of Agencies Board will self-evaluate its performance as a Board and as individual Board members on an annual basis.
5. The BFP Family of Agencies Governance Board will annually evaluate the FOA's President and Chief Executive Officer based on goals set by the Governance Board.

Board Meetings

At least 1 (one) annual meeting of the Board of Directors shall be held on the dates determined by the Board of Directors at the beginning of each calendar year.

- a. The Family of Agencies Board follows Robert's Rules of Order, as applicable, in conducting board meetings.
- b. The Board Chair will prepare the agenda in advance of dissemination to members with input from board members, chairs of committees, the FOA's President and Chief Executive Officer and Board Liaison.

- f. The BFP FOA's President and Chief Executive Officer will report to the BFP Family of Agencies Board during scheduled meetings.
- g. The BFP Family of Agencies Governance Board shall monitor the financial performance of the agency monthly.

Role of the BFP Governance Board Chair

The responsibility of the BFP Governance Board Chair is to ensure that the Board operates consistently within its own policies and bylaws. The Chair is the facilitator of the board meetings. The Chair appoints board committee chairs. The Chair may represent the Board within the scope of the Board's actions.

Board Member's Code of Conduct

The Brevard Family Partnership Family of Agencies Governance Board and Brevard Family Partnership Family of Agencies Advisory Boards commits itself and its members to ethical and lawful conduct including proper use of authority when acting as a Board member. Annually, BFP FOA board members sign the Statement of Adherence to Values and Personal Commitment.

Conflict of Interest and Disclosures

The Brevard Family Partnership Family of Agencies Governance Board and Brevard Family Partnership Family of Agencies Advisory Board members annually disclose in writing their involvement with other organizations that might produce a conflict and voluntarily withdraw from decision making in matters accordingly. Members are requested to disclose any actual or perceived conflicts at board meetings.

Members disclose any business relationship(s) with other members at board meetings.

Committees

The BFP Governance Board may appoint committees as appropriate within a defined scope of work and in accordance with the agency Articles and Bylaws.

The Board and President and Chief Executive Officer Linkage:

The Board's sole official connection to the operational organization, its achievements, and conduct will be through the BFP FOA's President and Chief Executive Officer.

Unity of Control

1. Decisions or instructions of individual Board members, officers, or committees are not binding on the BFP FOA's President and Chief Executive Officer except in rare instances when the Board has specifically informed the BFP FOA's President and Chief Executive Officer of such exercise of authority.
2. The BFP Governance Board Chair may represent the Board within the scope of the Board's actions or intent and converse with the President and Chief Executive Officer accordingly. The BFP Governance Board Chair's representation must be based on the collective will of the entire Board.
3. In the case of Board members or committees requesting information or assistance without Board authorization, the BFP FOA's President and Chief Executive Officer may decline such requests that require, in the FOA's President and Chief Executive Officer's opinion, a material amount of staff time or funds, or are disruptive. A denied request may be brought to the attention of the BFP Governance Board at a monthly meeting to determine whether the Board deems the request to be actionable.

Accountability of the BFP FOA's President and Chief Executive Officer

The BFP FOA's President and Chief Executive Officer is the Board's only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the Board is concerned is considered the authority and accountability of the BFP FOA's President and Chief Executive Officer.

Accordingly,

1. The Board will never give instruction to persons who report directly or indirectly to the BFP FOA's President and Chief Executive Officer unless otherwise outlined in the absence of the Chief Executive Officer.
2. The Board will refrain from evaluating, either formally or informally, any staff other than the BFP FOA's President and Chief Executive Officer.
3. The Board will view the BFP FOA's President and Chief Executive Officer performance as identical to organizational performance and indicative of corporate and community values, so that organizational accomplishment of board-stated

Ends and avoidance of board-prescribed means will be viewed as successful BFP FOA's President and Chief Executive Officer performance.

Delegation to the BFP FOA's CEO

The BFP Family of Agencies Governance Board will instruct the BFP FOA's President and Chief Executive Officer through written policies that prescribe the organizational *Ends* to be achieved and describe organizational situations and actions to be avoided, allowing the BFP FOA's President and Chief Executive Officer to use any reasonable interpretation of these policies.

Accordingly,

1. The BFP Family of Agencies Governance Board will develop practices instructing the BFP FOA's President and Chief Executive Officer to achieve certain results, for certain recipients, at a specific cost. These practices will be developed systematically from the broadest, most general level to more defined levels, and will be called Ends policies.
2. The BFP Family of Agencies Governance Board will develop policies that limit the latitude the BFP FOA's President and Chief Executive Officer may exercise in choosing the organizational means. These policies will be developed systematically from the broadest, most general level to more defined levels, and they will be called Executive Limitations.
3. As long as the BFP FOA's President and Chief Executive Officer uses reasonable interpretations of the BFP Family of Agencies Governance Board's Ends and Executive Limitations policies, the President and Chief Executive Officer is authorized to establish all further policies, make all decisions, take all actions, establish all practices, and develop all activities.
4. The BFP Family of Agencies Governance Board may change its Ends and Executive Limitations policies, thereby shifting the boundary between the Board and the BFP FOA's President and Chief Executive Officer domains. By doing so, the Board changes the latitude of choice given to the BFP FOA's President and Chief Executive Officer. However, as long as any particular delegation is in place, the Board will respect and support the FOA's President and Chief Executive Officer's choices.
5. The BFP FOA's President and Chief Executive Officer is authorized to act without prior approval of the BFP Family of Agencies Governance Board in an emergency situation which prevents the BFP FOA's President and Chief Executive Officer from seeking BFP Board approval, as long as the BFP FOA's Chief Executive Officer's actions are consistent with the mission of BFP and the Ends policies of the Board. In the event that the BFP FOA's President and Chief Executive Officer finds it necessary to exercise the emergency authority granted herein, the BFP FOA's Chief Executive Officer will advise all Board members as soon as the situation permits in the most expeditious manner.

Monitoring the BFP FOA's President and Chief Executive Officer Performance

Systematic and rigorous monitoring of the BFP FOA's President and Chief Executive Officer job performance will be measured by organizational accomplishment of Board policies on Ends & Outcomes and organizational operations within the boundaries established in Board Governance policies on Executive Limitations.

Accordingly,

1. Monitoring is simply to determine the degree to which Board Governance policies are being met.
2. The BFP Family of Agencies Governance Board will acquire monitoring data by one or more of three (3) methods: (a) by internal reports, in which the BFP FOA's President and Chief Executive Officer discloses compliance information to the BFP Family of Agencies Governance Board, (b) by external reports, in which an external, disinterested third party selected by BFP Family of Agencies Governance Board assesses compliance with Board Governance Policies, and (c) by direct Board inspection, in which a designated member or members of the BFP Family of Agencies Governance Board assess compliance with the appropriate governance policy criteria.
3. In every case, the standard for compliance shall be reasonable to the BFP FOA's President and Chief Executive Officer interpretation of Board Governance Policy being monitored.
4. All governance policies that instruct the BFP FOA's President and Chief Executive Officer will be monitored at a frequency and by a method chosen by the BFP Family of Agencies Governance Board. The BFP Family of Agencies Governance Board can monitor any policy at any time, by any method, but will ordinarily depend on a routine schedule.
